

IEEE-IAS INDUSTRY APPLICATIONS SOCIETY (BALTIMORE)

Due to recent developments concerning the outbreak of coronavirus Covid-19, we have decided to cancel next week's dinner meeting. The safety and health of our community is our highest priority. Accordingly, it is incumbent upon us to do whatever we can to reduce the risk to everyone, and behavioral mitigation is widely recommended as the best option right now to slow the spread of the disease.

Refunds will be administered for all paid registrations, by credit card or check as applicable. We will be monitoring further developments closely over the next few weeks so that we can make a decision whether our April and May events will be impacted as well. Any announcements will be communicated via email.
